

Checklist: Safety Certification

Review this list to make sure you receive the best possible evaluation outcome for your work. If you have question as your teacher.

	Did I remember to...	Did I Remember?
1	Obtain a PIN Code from my teacher for the NBCSA site?	
2	Log in to the NBCSA site and fill in my details truthfully?	
3	Write down or record securely my TWO generated usernames and logins?	
4	Complete all sections of course one?	
5	Complete all section of course 2?	
6	Ask my teacher to print my certificate for me or print it myself?	
7	Make a note that this WHMIS certification is good for 3 years until I must renew?	
8	Make a note to add this certification to any future job resume I might create?
