

Checklist: Digital Citizenship - Digital Security

Review this list to make sure you receive the best possible evaluation outcome for your work. If you have question as your teacher.

Did I remember to...		Did I Remember?
1	Complete Digital Security Assignment 1 ?	
2	Complete the FOUR tasks for the HERCULES CODE Assignment 2?	
3	Report to my teacher the probability of guessing an NBED password after applying math learned in the project?	
4	Go home and upgrade all your important passwords to ones which can't be hacked easily?	
5	Help anyone older or younger (seniors, parents, younger children) choose better passwords too?
