

Checklist: Digital Citizenship - Digital Etiquette

Review this list to make sure you receive the best possible evaluation outcome for your work. If you have question as your teacher.

Did I remember to...		Did I Remember?
1	research and find 5 companies with “sketchy” terms and service agreements?	
2	Make sure the source of the sketchy claims was a credible one?	
3	Report the five companies to your teacher and include your source of info?	
4	Read assignment #2 “NETiquette” and understand that what adults and other do is not always right?	
5	Make a list of FIVE reasons you will avoid dangerous and unlawful deeds in your digital life?	
6	Read the recommended section of the New Brunswick Acceptable Use Agreement?	
7	Suggest three important ways that this document could be made easier for teens to understand?
