

Checklist: Digital Citizenship - Digital Wellness

Review this list to make sure you receive the best possible evaluation outcome for your work. If you have question as your teacher.

	Did I remember to...	Did I Remember?
1	Ask your teacher for meter sticks and sound to hear the video in assignment 1?	
2	Watch the first video pausing it to allow you to complete the math presented?	
3	Choose 2 of the recommended speeds to illustrate in a long hallway?	
4	Complete the hallway/outdoors activity showing how far your vehicle travels every second?	
5	Answer the FOUR questions after the 1st video including watching the video in question 2?	
6	Read the intro to activity 2?	
7	Give serious thought and answer questions 1 and 2 in Assignment 2?	
8	Complete Activity 2 in assignment 2 and submit all your answers to your teacher for evaluation? - 5 Pledges for digital wellness.	
9	Spend some time considering the question asked in the “extend your learning” section and present to your teacher any great solutions you think could work?
