

# Checklist: Digital Citizenship - Digital Law

*Review this list to make sure you receive the best possible evaluation outcome for your work. If you have question as your teacher.*

Did I remember to...		Did I Remember?
1	Review the Copyright Matters 3rd edition?	
2	Successfully find and record the answers to the 17 questions in Assignment #1 and submit them to your teacher?	
3	Take a moment to consider the “extend your learning” questions about how digital product providers can get their products to us without having to worry about piracy?
