

Checklist: Digital Citizenship - Digital Literacy

Review this list to make sure you receive the best possible evaluation outcome for your work. If you have question as your teacher.

Did I remember to...		Did I Remember?
1	Figure out what the definition of “Digital Literacy” really means for you?	
2	Research relevant topics that seniors would need to know when online?	
3	Complete the ONE-PAGER for an example senior to help them learn a new digital skill and remain safe while using that skill?	
4	Include Images, Web Resources, the name of tech or service, and directions on the one-pager?
